Texas Tech Alumni Association – Highland Lakes Chapter Scholarship Application for TTU at Highland Lakes

The mission of the Texas Tech Highland Lakes Alumni Association Scholarship Committee is to support those individuals seeking financial assistance in reaching their academic goals through Texas Tech University at Highland Lakes.

Thank you for your interest in the scholarship opportunities available through the Highland Lakes Chapter of the Texas Tech Alumni Association. Higher education is a vital component of both personal and professional growth, and we appreciate the commitment you are making to better yourself and the community we share.

Please know that we will carefully consider every application we receive. In some instances, we may even request a personal interview to assist us in the decision-making process. Unfortunately, due to our limited resources, we will not be able to offer an award to every applicant. But we hope we can lessen the financial burden for many area students.

This form (along with your personal statement and recommendation letters) can be returned to TTU Highland Lakes by one of the following options: scan and email, fax, mail, or hand delivery.
